

# Introduction to Electronic Evidence

At the end of this instruction, students will have a better understanding of electronic evidence and how to apply the evidence to their criminal investigations through hands-on participation and case study.

## MISSION STATEMENT

Our mission is to reduce companies' risks and increase safety through affordable training, education, and customized consultation to public safety organizations.

**Performance Objectives: At the end of this lesson, students will be able to:**

- ✓ Define what an IP address is
- ✓ Define what an ESP is
- ✓ Be able to navigate Search.org
- ✓ Explain what "stays true to deletion" means in regard to ESPs
- ✓ Identify the major electronic devices
- ✓ Successfully solve a computer crime
- ✓ Understand what the ICAC Task Force's function is
- ✓ Understand what the NCMEC's role is in ICAC investigations
- ✓ Successfully solve a NCMEC CyberTip;

Students should bring their laptop with them to be able to fully participate.
